

Prempaste S105

Prempaste S105 is a petrolatum based compound used for the preparation of metal surfaces, particularly prior to the application of Premtape Marine and other SeaShield products

Composition

Prempaste S105 is a soft petrolatum containing corrosion inhibiting, moisture displacing and flow control additives. Prempaste does not contain any volatile organic material.

Uses

Prempaste S105 is used to prepare surfaces prior to application of Premtape Marine.

Service temperature: -30°C to +50°C

Characteristics

Prempaste S105:

- contains no VOC,
- does not dry, harden or crack,
- displaces moisture, and
- requires no special tools for application, and
- may be applied under water.

Surface Preparation

Surfaces should be free from dirt, loose rust, scale or flaking coatings and marine growth.

Application

Apply Prempaste S105 to surfaces with a stiff brush or gloved hand at normal ambient temperatures, including under water.

Application temperature: 0°C to +40°C

Coverage (as primer for Premtape): 2-5 m²/kg

Availability

2.5 kg plastic tub
25 kg metal pail

Storage Conditions

Store all components in original packaging in a cool, dry area.

Waste Material

Please avoid or minimise waste wherever possible. Please do not discard waste material, including packaging, in the surrounding environment. Follow all relevant legislation for disposal.

Typical Properties

Flash point	>180°C
Specific gravity (25°C)	1.08
Solids Content	100%

Important: Premier Coatings Ltd. pursue a policy to develop and continually improve all of our products and therefore the information given in this data sheet is intended as a general guide and does not constitute a warranty of specification. However, our sales personnel are committed to assist the user in establishing the suitability of the product for its intended purpose and additional specific information is available on request. Premier Coatings Ltd operate a Quality Management System registered to BS EN ISO 9001 (BSI Certificate no. Q09303) and an Environmental Management System registered to BS EN ISO 14001 (BSI Certificate no. EMS 677780).
